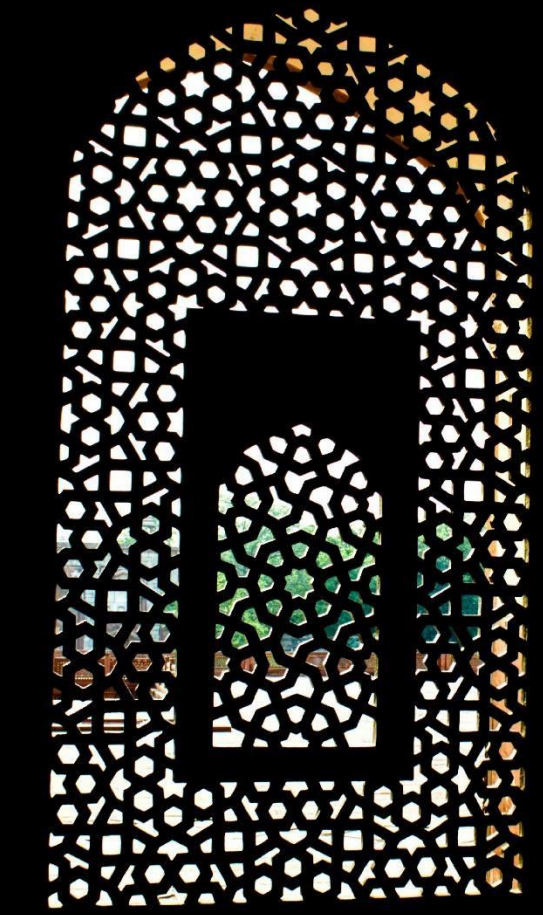
DESIGNS THAT INSPIRES THE MANY INTRICACIES OF OUR FACADE

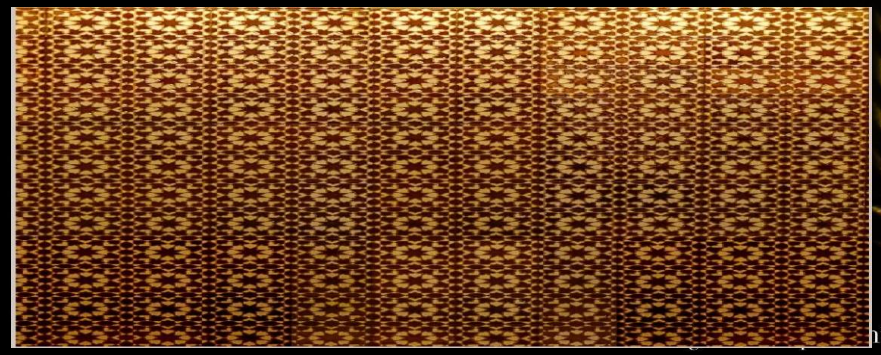
The traditional carving of intricate ornamental patterns in a jaali form have always held an important place in Mughal architecture.

Its intricacies serve as an illustration of many significant historical events and can be seen etched in remarkable Mughal landmarks.

Today, this very same intricate traditional design has been crafted for modern day sensibilities, and is now a part of your home at Godrej South Estate.

Contemporized with a modern metal screen.





ntation purpose only.

Premium crown inventory,

Inspired by the crown from the likes of Chrysler Building , New York

Godrej | PROPERTIES

Copper crown in the South Delhi Skyline

A landmark crown illuminated in shades of copper metal Jaali work running through the length of the façade.

An iconic elevation to form a landmark for the years to come.
